### **Declaration**

We, M/s..... seeking enlistment of our firm with Goa Energy Development Agency (GEDA) hereby declare that, the particulars furnished above are correct and true to the best of our knowledge and faith. We will supply the Solar PV grid connected power systems as per the test report submitted and as per the standards (IEC/IS/BIS & guidelines) prescribed by MNRE/JERC and its amendments from time to time. We hereby agree to provide 05 (five) years warranty from the date of commissioning for the Solar PV grid connected power systems. We know that our enlistment is liable for cancellation if any deviation noticed/or brought to the notice of GEDA and the testing facilities furnished are found false during the inspection by GEDA. We will not use Government of Goa/GEDA's logo and/or name of GEDA on our letter heads/any other communications for taking undue advantage of enlistment. We will also not use this enlistment letter for getting any order as GEDA does not certify the quality and workman ship of enlisted vendors.
